UNITED WAY LOOKING FOR COMMUNITY IMPACT PARTNERS

JACKSON, TN – Are you interested in becoming a Community Impact Partner with the United Way of West Tennessee? The United Way of West Tennessee has announced the dates for its open sessions for area nonprofits to apply for funding by becoming a Community Impact Partner.

The first step in becoming a partner with the United Way of West Tennessee is to attend one of the annual application sessions. At these sessions the United Way will be discussing the application and application process, reviewing what kind of programs, goals and objectives United Way volunteers will be looking for and how you can share how your program will have a positive impact in our communities.

Last year, the United Way of West Tennessee partnered with 79 agencies to invest over \$1.4 million in 126 different programs, all focused in the areas of Income, Education and Health. We are proud to work with so many organizations in a collaborative effort to advance the common good.

There will be four sessions to choose from and you must call to reserve your spot in a session:

Thursday, January 19, 2012 at 9am – 11am
Thursday, January 19, 2012 at 1pm – 3pm
Tuesday, January 24, 2012 at 9am – 11am
Tuesday, January 24, 2012 at 1pm – 3pm

All four sessions will be held at the Jackson Area Chamber of Commerce. They are located 197 Auditorium Drive, Jackson, TN. Applications can be filled out by local 501c3 health and human organizations that serve individuals from our 14 county service area. Please call (731) 422-1816 no later than Friday, January 13, 2012, to reserve a seat. It is important to make sure your agency representative at the session is the person(s) responsible for completing the application. Your agency representative must attend the entire session to receive a United Way application for funding.

The United Way of West Tennessee is a local, volunteer-driven organization that focuses on uniting people and resources to build a stronger, healthier community specifically in the areas of income, education and health.
